

Java Constants

java.lang.Byte

public static final byte MAX_VALUE 127
public static final byte MIN_VALUE -128

java.lang.Short

public static final short MAX_VALUE 32767
public static final short MIN_VALUE -32768

java.lang.Character

public static final char MAX_VALUE 65535
public static final char MIN_VALUE 0

java.lang.Integer

public static final int MAX_VALUE 2147483647
public static final int MIN_VALUE -2147483648

java.lang.Long

public static final long MAX_VALUE 9223372036854775807L
public static final long MIN_VALUE -9223372036854775808L

java.lang.Float

public static final float MAX_VALUE 3.4028234663852886E38f
public static final float MIN_VALUE 1.401298464324817E-45f

java.lang.Double

public static final double MAX_VALUE 1.7976931348623157E308d
public static final double MIN_VALUE 4.9E-324d

java.lang.Math

public static final double E 2.718281828459045d
public static final double PI 3.141592653589793d
